

Note: XL's use one vented cap.

Gas Caps 1983-up

Chrome Kap™ Kit features a uniquely designed insert which is permanently installed in the existing bung on bobbed tank sets on 1983-up models of Big Twin. Inserts will prevent flaking around the filler neck or conceal existing damage to finish in this area. The chrome caps thread into this insert and act as the actual gas cap. Sold in pairs.

VT No. Year

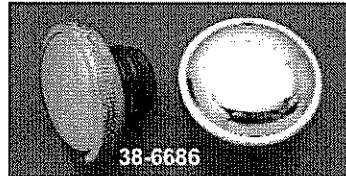

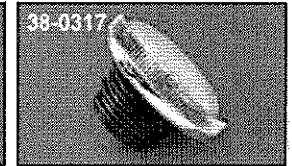

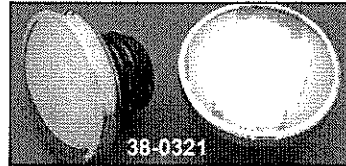

38-0327 1983-95

38-0233 1983-95

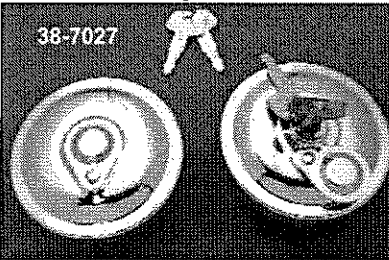

38-0234 1996-up

16-0742 Wrench

15-1508 Seal Ring

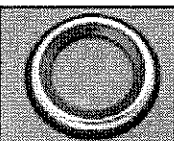

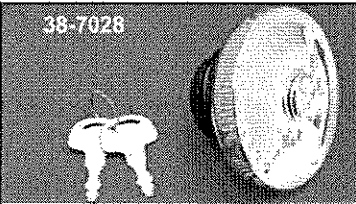

1983-up Ratcheting Style Gas Caps are of steel which feature low pressure relief vent recessed in cap to clear the filler neck vent tube on 1985 and later tanks.

Chrome Locking Gas Caps fit 1983-up models with bung type filler caps, supplied with 2 keys each.
